

When I Play Baseball

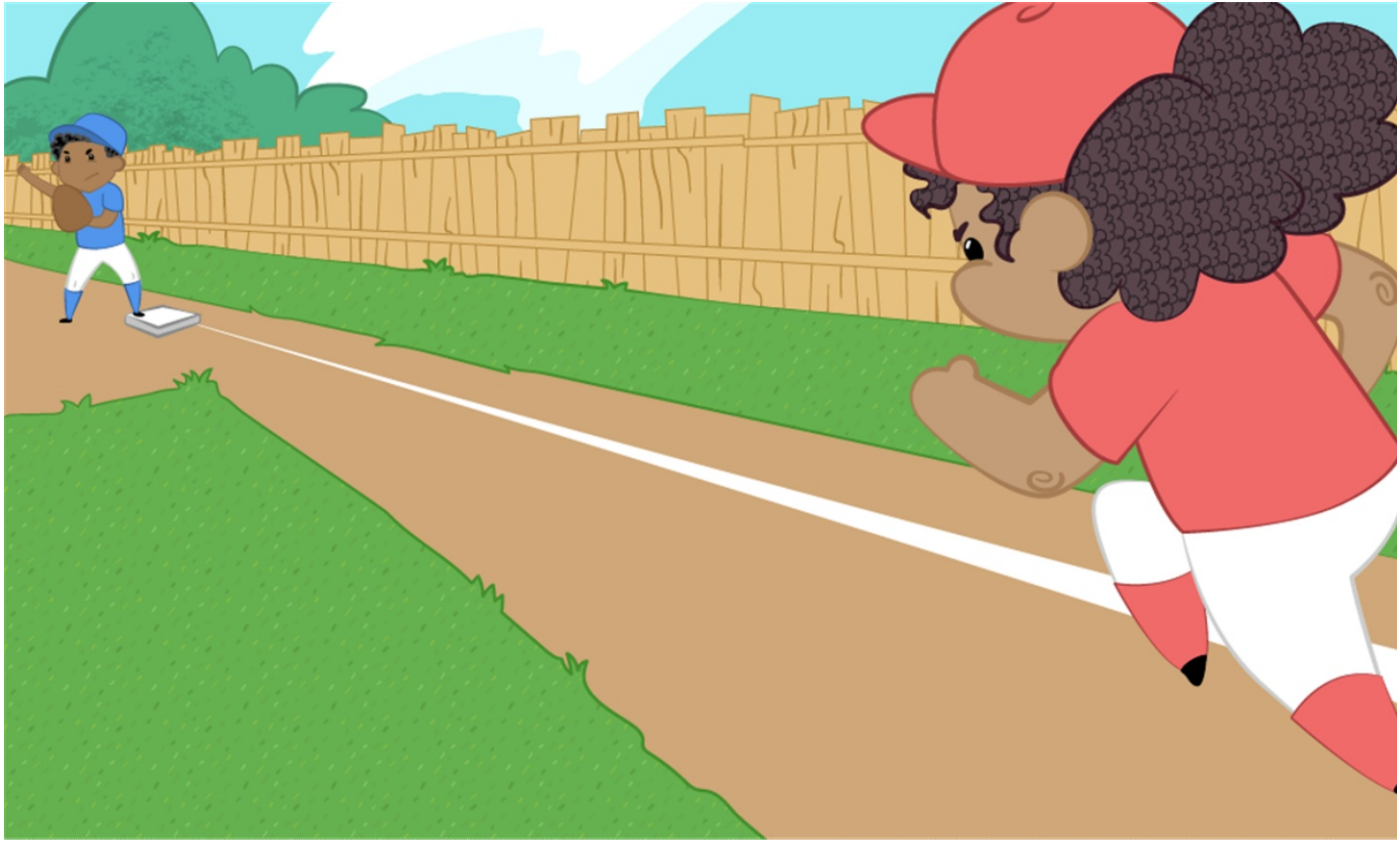

Core First® Learning

When I play baseball, I
have fun.

When I'm up, I swing and
run.

When I get a hit, I run
for the bag.

When I slide, I don't get tagged.

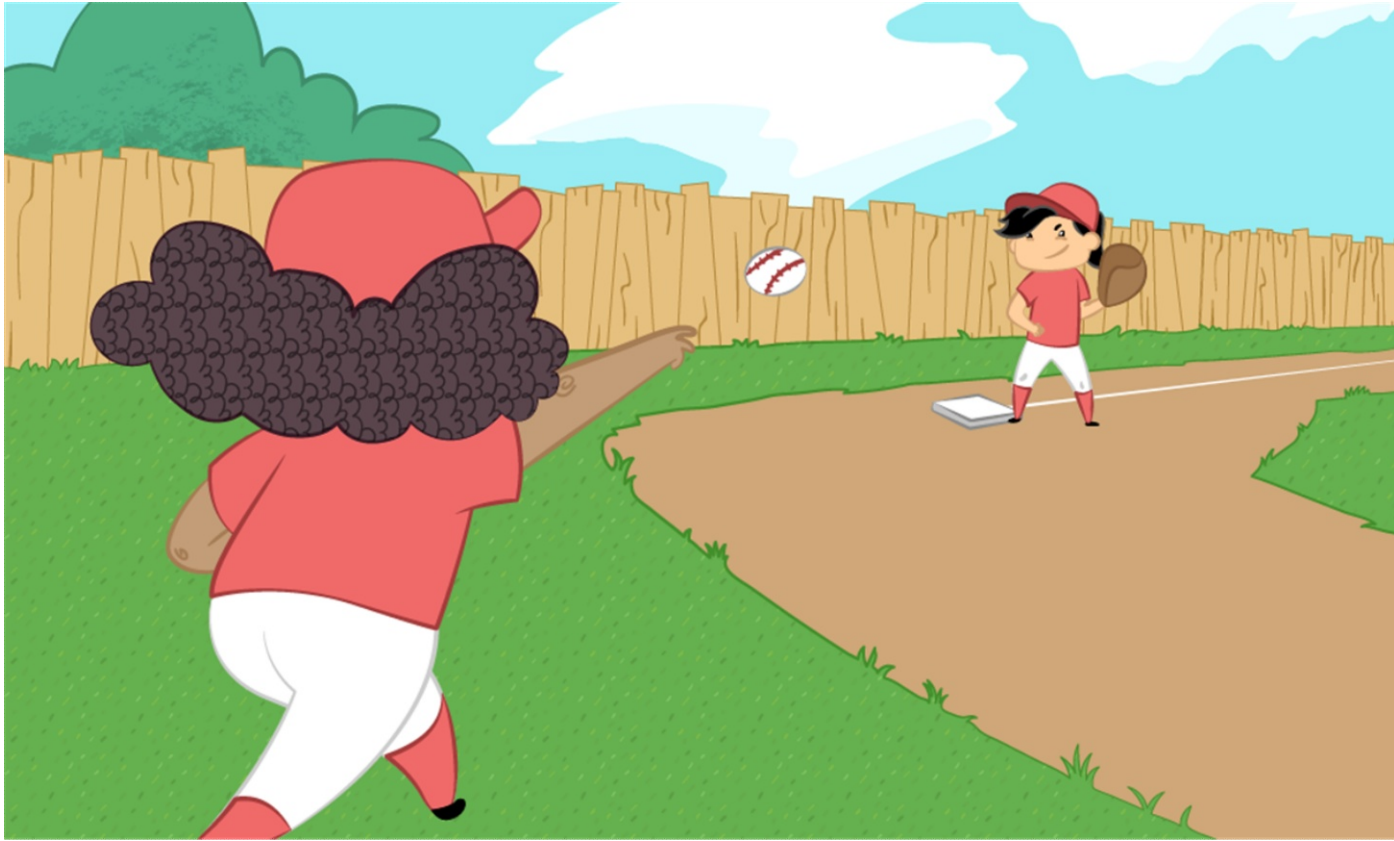

When I throw, I hit my
mark.

When he's out, the umpire
barks.

When I catch, I hear a
smack.

As fast as I can, I throw it
back.

When I play baseball, I
have fun,

especially on the days
we've won!
